

25 September 2019

SO – IL is an internationally recognized architecture and design firm based in New York. We are currently seeking motivated Designers with a minimum of 1-2 years of professional experience.

SO – IL

**320 Livingston St
2nd Floor
Brooklyn, NY
11217**

**718 624 6666
office@so-il.org**

You will be working as a team member and be expected to create new ideas both in collaboration and independently within an international design-driven studio. You will work as part of a team to design and produce drawings, convey architectural concepts, create renderings, build presentations and working models, and will report directly to the Project Leader and Principals.

Designer Position Description

Develop architectural studies at the direction of a Project Leader or Principal. Prepare & present design proposals to internal teams and consultants. Support Project Leader in preparing and presenting to the client. Assist in the production & development of all necessary documents, drawings, models, images, schemes etc related to the design & building process. Lead small projects (ie. exhibitions, installations) when necessary. Occasionally be asked to independently coordinate with consultants, vendors, etc.

Prereqs

Demonstrated experience and knowledge of early design phases such as concept and schematic design.

Experience in and knowledge of construction documentation and administration preferred, but not required.

Capable of working flexibly in a demanding environment.

Strong communication skills, with regard to client presentations, meeting organization and preparation.

Ability to work and plan both independently and seamlessly within a collaborative design team

Physical modelling skills required, including digital fabrication, wood, metal and foam, and organizing a maintaining a model shop.

Proficiency required in Rhino, Autocad, and Adobe Suite.

It would be an advantage to know Revit, Grasshopper, and Vray.

Professional degree (Bachelor's or Master's) in Architecture, Design or relevant field

1-2 years of experience in an architectural design office

To apply

To be considered for the position please include the following documents:

- CV / Resume
- Portfolio of both school and professional work

In the body of the email please answer (no more than 150 words each):

- Why are you the right fit for SO – IL? Be specific.
- Give an example of when you've had to manage a project or process, describe your biggest challenge and how you overcame it.

SO – IL

25 September 2019

- Whether you will now or in the future require visa sponsorship for employment at SO – IL.
- What is your length of availability (if you are an international applicant, this will be informed by what visa type you plan to pursue)?
- What is your potential start date?

Email work@so-il.org; the subject of the email should read “YOUR NAME_DESIGNER”

Unfortunately due to the volume of applications we are not able to reach out to every inquiry. We will follow-up with qualified candidates via email to schedule interviews. Please no phone calls or unscheduled office visits.
